

## Financial Notice

# GLOBAL MULTI-FACTOR EQUITY FUND

Unitholders of the **GLOBAL MULTI-FACTOR EQUITY FUND** (ISIN code: FR0013443215) mutual fund managed by Amundi Asset Management, are notified that as of 30 December 2022, the maximum tracking error will be increased from 1% to 2%.

While continuing to track the performance of the composite index\* as closely as possible, the increase in the tracking error will mean that the exclusionary rules can still be applied, in accordance with the Responsible Management Policy applied to the Fund.

All of the Fund's other characteristics will remain unchanged.

This change does not need to be approved by the French Financial Markets Authority (Autorité des Marchés Financiers), and does not require you to take any specific action.

The regulatory documents updated as a result of this change will be available from 30 December 2022.

Please take a look at the Key Information for Investors Document (KIID) for your GLOBAL MULTI-FACTOR EQUITY FUND, available on the website at [https://www.amundi.fr/fr\\_part/Nos-fonds/Notre-selection](https://www.amundi.fr/fr_part/Nos-fonds/Notre-selection).

Your regular advisor will be happy to provide you with further information.
